FRIDAY, NOVEMBER 18TH AT 11:00AM

SAN DIEGO CONTINUING EDUCATION - LINDA VISTA CAMPUS

BRIEF REMARKS | SIGNING OF THE BEAM | HOISTING OF THE BEAM | BBQ LUNCH

About the Linda Vista Campus

The two-story, 38,000-square-foot facility will consolidate operations currently housed in temporary locations throughout San Diego. The new facility will offer classes through the Disabled Students Program and Services (DSPS), Emeritus, and English as a Second Language (ESL). The project is on track to obtain Leadership in Energy and Environmental Design (LEED) Silver certification.

History of the Topping Off Ceremony

A 'topping off' marks the point when a structure's highest element is hoisted into place, a practice that started in Scandinavia over 1,000 years ago. Upon reaching the highest point, workers traditionally put into place a small evergreen tree as a symbol of good faith and good luck.
